Widewaters Hotels, LLC Announces the Hiring of Ronald Blair, Director of Facilities Management

DeWitt, NY – Widewaters Hotels, LLC, a division of The Widewaters Group, Inc. announced the hiring of Ronald (Ron) Blair as Director of Facilities Management. Mr. Blair's responsibilities will oversee all facility, engineering and safety management for all Widewaters Hotels, LLC managed properties.

Mr. Blair has an extensive background in hospitality engineering, with more than 15+ years of mid-level and executive level experience managing multiple assets for hotels and restaurants. He's held positions as Regional Director of Engineering/Facilities for Remington Hotels, overseeing 8000 units in 43 hotels, Director of Engineering/Facilities for MGM Grand Hotel & Casino, with 5000 rooms and 36 units, and Portfolio Maintenance Director for Avalon Bay Inc., one of the largest REIT's in the nation with over 2000 units.

Mr. Blair resides in Thomasville, NC with his family.
